different!

## Spring is on its way!

I hope that you have all been enjoying the lighter mornings, warmer weather and glimpses of sunshine; all signs that spring is on its way! Here at HLH, the garden is full of beautiful bird song and our cheeky visiting squirrel has been spotted sneaking food from the bird feeder.

The term has got off to a busy start with new children and staff joining us. As we continue to grow, we are developing new learning spaces, that offer a safe and stimulating place for our children to learn.

Spring 2026

### RECENT UPDATES:

#### Therapy -Pigs

Our therapy-pigs, Rusty and Rocky, have settled in well and are a hit with children, who are learning to handle them with care.

#### April Info

Information regarding April will be sent out shortly. We are always happy to accommodate as much as we can.

#### Partnerships

You and your child are very important to us. We want to foster good relationships in order to provide the best that we can for your child. We will arrange meetings after Easter.

## OUR CURRICULUM

Our curriculum focus for the spring term is 'Creative and Expressive'. We will look at key life skills, including cooking, and, where appropriate, we will link our learning to National Curriculum objectives. As always, we will work with the children to gather their ideas, ensuring their voice is heard to create a curriculum that is engaging and tailored to their needs.

At HLH, we use the Seesaw app to record observations of the children's learning. If you are having trouble accessing your Seesaw account, please speak to one of the team.
