MERRY CHRISTMAS FROM HLH...

News

The autumn term has flown by! Here we are at Christmas which is a magical time of year. The Christmas trees are decorated, the lights are brightly shining and Santa will be visiting this week.

This term has been busy and full of exciting things.

We said goodbye to Teddy this term and we miss him a lot.

We welcomed new teachers, pupils and therapy pigs!

Our home-from-home setting is a joy to belong to and we have lots of exciting things planned for the new year.

RECENT UPDATES:

Progress

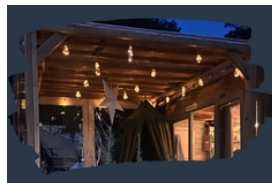

The pupils have made excellent progress here at HLH. Please contact us if you would like to discuss this further.

January Info

Information regarding January will be sent out shortly. We are always happy to accommodate as much as we can.

Partnerships

Creating good partnerships are very important to us. We want to foster good relationships in order to provide the best that we can for your child. We will arrange meetings for February half term.

New Therapy Pigs!

Introducing Rusty and Rocky! Their colourful coats inspired their names, and they've quickly become part of our community. They're learning to be handled and adore carrots and hay adventures.

Life Light Curriculum

Our team has been hard at work creating our new Life Light Curriculum. It is shaped by our principles, ethos and values, and built to follow each child's lead. It brings together themes such as safeguarding, life skills, SEND, SEMH and PSHE. We look forward to launching it in January.

Neurodivergent Support

At HLH, we give pupils a peaceful place to learn when busy spaces feel too much. I'm neurodivergent too, so I recognise the challenges that can come with day-to-day life.

Functional Skills L2 English & Maths

This year, we have bought licenses from Pass Functional Skills and are now offering pupils the chance to embark on Functional Skills.

Functional Skills are the equivalent of a 4/5 at GCSE and are based on real-life skills needed in the work place.

They are an excellent way to progress and offer pupils an alternative to GCSE's.

Functional Skills at HLH:

- Online course
- Face to face lessons with a teacher
- Exam included which they can sit in a safe space

Stay in Touch...

We're always here to stay connected. Visits, calls and emails are welcome. If your child wants to come by, reach out to arrange a time — it would be lovely to have them, and you!
